APRIL 5-20, 2019

Venues on MSU's campus and at partner institutions across Michigan

WHAT IS THE FESTIVAL?

The MSU Science Festival is an amazing multi-day series of events for people of all ages to experience science, technology, engineering, arts, and mathematics (STEAM) through live presentations

WHY PRESENT AT THE FESTIVAL?

- Meet National Science Foundation (NSF) requirements for broader impacts
- Inspire future generations about STEAM fields and opportunities

WHO CAN PRESENT?

- MSU faculty and academic staff, graduate and undergraduate students
- Community partners across Michigan

TYPES OF PRESENTATIONS:

- Demonstration
- Tour/open house
- Hands-on activity
- Performance
- Talk
